

Burlington Brotherhood
"Fathers" / "Young Men" Conference 2010

Theme: "THY KINGDOM COME"

The theme this year is **"Thy Kingdom Come"**. Our speakers reflect lives full of truth. They have years of sharing the truth, teaching the truth, and living the truth. The topics will be cutting-edge and relevant to every young/adult male's struggles.

It's time to go to the next level. So, mark your calendar. The music and fellowship will be rewarding.

Also this year we will be having a luncheon to honor a special "Kingdom Builder" working diligently with today's youth and adults.

Prayers that you have prayed, questions that you have not asked, spiritual gifts yet undiscovered will be revealed as you join us for **"Thy Kingdom Come"**.

This is a personal invitation from me to you to join us for our Third Annual Young Men's Conference.
